

Sponsorship Opportunities of MonSTaR Foundation

Thank you for looking into the opportunity to become a sponsor of the MonSTaR Foundation; I hereby outline information about the Foundation and the sponsorship packages available.

MonSTaR is a registered charity which over the past 4 years has raised funds in excess of \$490,000, for research & support for people living with Motor Neurone Disease (MND) and also supports The STaR Association (STaR) which provides educational programmes for children with disabilities. The money raised is divided equally between MND (The Motor Neurone Disease Association of NSW) and The STaR Association.

Peter Overton is the Patron of our foundation. Peter is a well known and regarded News Anchor for Channel Nine News, Sydney and is a strong and proactive supporter of the Foundation.

Our website outlines comprehensive information on the history, purpose and office holders of the MonSTaR Foundation. The information can be found at www.monstarfoundation.com.au.

On March 18, 2011 the MonSTaR Foundation will hold its 5th Annual MonSTaR Cup. Once again it will be held at the prestigious Pennant Hills Golf Club and will be a wonderful day of golf followed by a fun filled night of fine dining, outstanding auction items and live entertainment. In its short history The MonSTaR Cup has become one of the pre eminent charity events in Sydney.

Sponsorship has been a driving force behind our charities growth since its inception in 2007; and we could not put on such an awe-inspiring event without that support. More than 500 participants pass through the gates at Pennant Hills Golf Club at The MonSTaR Cup each year, all of whom receive the event program displaying sponsoring companies logos.

We have detailed below the various levels of sponsorship and the benefits attached to each level of sponsorship. As an event sponsor, your company name will be listed on our promotional material and most importantly on our website.

We are also in the process of developing an annual membership for individuals and as part of that function we are endeavouring to cross market business services to all members.

Page Two

We trust you and your organisation would like to become advocates and sponsors of the event and our Foundation.
